RELEVANT EXPERIENCE

Music Director, *CHOOS E A Cappella*

January 2023 – December 2023

- Oversaw selecting, arranging, learning, and polishing 11 songs per semester for 14-member college a cappella
- Conducted 3-hour rehearsals twice a week to prepare for semesterly concerts and bi-weekly gigs
- Spearheaded steps for musical excellence and stage presence, resulting in a doubled membership and heightened audience acclaim

Summer Missionary, *Youth Apostles*

May 2023 – August 2023

- Supervised 20+ historically underprivileged youth 20 hours a week, striving to demonstrate a positive example
- Established and led weekly virtue-based presentations and bible studies to cultivate growth in character

Test Automation Intern, *ScienceLogic*

June 2022 – August 2022

- Automated 4 manual test sets covering Electronic Key Management System (EKMS) initialization, restart-ability, logging, and token rotation, reaching 133% of company-requested goal
- Developed, tested, and standardized 800+ lines of Python code and 1100+ lines of Gherkin code
- Documented test automation guide on Jira webpage, including step-by-step instructions, individual test info, troubleshooting tips, and FAQs
- Delivered hour-long demonstration to team of 8, explaining both proper usage and underlying code
- Discovered, investigated, and detailed 3 bug tickets while running 11 Jira test sets as a Quality Assurance engineer

P2L Peer Coach, *University of Virginia*

April 2022

- Prepared and executed hour-long sessions twice a week to provide supplemental instruction for Calculus II
- Facilitated 5+ peers each session, evaluating particular group's needs and extemporizing when necessary
- Organized weekly coordination with course instructor to form optimal plan

Website Development Lead, *Forge Sprints*

April 2022

- Directed team of 3 in implementing 6 website improvements and marketing strategy for a local high school
- Specified timeline, solicited website access, communicated task expectations and progress, and executed virtual meetings with team and 5 clients
- Embedded photo gallery and API-powered Google Calendar using WordPress and Elementor

LEADERSHIP AND ADDITIONAL EXPERIENCE

- **Group Theory Researcher**: Performed 12-week research comparing effectiveness of 3 group theoretical tools for musical chord analysis with personal Math graduate student, culminating in 20-minute presentation
- **Social Club Co-founder**: Co-lead and manage communications for "Youth Apostles in Charlottesville", founded in Spring 2023, where 6+ men meet weekly over dinner, games, or prayer
- **AP Capstone Scholar**: Designed and presented year-long research project with 5,000-word report analyzing perception of fusion energy in 350+ high schoolers
